PUBLIC EMERGING LEADER SERIES

This was a great experience, and I truly enjoyed every class. I gained so much insight and knowledge throughout the course. I appreciate everyone who participated, especially Patrice for her guidance. I would certainly recommend this course and share how valuable it has been for me personally.

Accounting Associate, Bakery

I have a totally different outlook on my career now and my organization. The fact that they are willing to invest in us with a training like this is amazing.

Training and HR Generalist, Hospitality

The entire series has proved to be very helpful and educational. It has heightened my awareness as to how I am perceived by my coworkers, how I can be a better example, and how I can assist them into being the best they can be, just to name a few things. Thank you very much for the fine training.

Journeyman Machinist, Manufacturing

I had a great experience with Living as a Leader - it made me think in ways I haven't before and I know I can directly apply what I have learned in this series to my professional and personal life.

Project Engineer, Manufacturing

Living as a Leader's Emerging Leader Series is a terrific way to help the next generation of your company's leadership become more engaged and aware of the interpersonal skills it will take to become even greater contributors to your company and its culture. Participants use real-world examples and role-playing exercises to apply skills they've learned. The result is a more conscientious emerging leader who is ready to make even larger contributions.

Director of Communications,
Chamber of Commerce

Living as a Leader and the Emerging Leader series came to our company at a perfect time. After a few years of wanting to change our culture, this course has propelled that attitude up and down from low level management/leads, all the way to senior management. The effect has been apparent, our company has grown closer, and work has gotten more efficient.
